Issue 22
The CHAINGUN ISLAND zine
IN THE LAND OF THE RISING SUN

THE BLURB
Issue 22, tsu na'ga ru! MAN! It feels YABAI to be back here in the good 'ol U.S.-of-A., especially after what Cassetta 'n I've been thru! Let 'ol TeckHead give ya the BRASS TACKS:
We got in a car with my NITE SKOOL professor, Prof. Flyers; drove up to CVG; ditched the car; 'n boarded a crummy jet to TOKYO! THEN! We touched down in Tokyo, strolled thru the akihabara, 'n then got LOCKED IN SOME DUDE'S APARTMENT! That friggin' professor! He told us it was some kinda "innovative bed-'n-breakfast" and to wait there 'til he called us on the phone. 'N so, ECLECT-oids, Cassetta 'n I waited... 'n waited... 'n waited a touch more. Eventually, we DID get a call, but it was from the YAKUZA! Eyup, Professor Flyers SET US UP! KU-SO! Now I still don't really know WHY he did all this, but I got a hunch by the way the Yakuza were talkin' that they wanted our CYBERNETICS! Well... as ya can probably tell... WE GOT AWAY! Shipped ourselves straight back to the U.S.-of-A., BABY! There's a METRIC TON more stuff Cassetta 'n I did in that "Bed-n-Breakfast" to keep ourselves from goin' NUTZ! You wouldn't BELIEVE all the SICK stuff in that joint! I can't talk aboot it all in ONE ZINE... If ya catch my drift...
Anywho... enough yammerin', let's get HENNA-HITO!

TECKHEAD'S SIDE
Cassetta's Flick
House - 1977
Konbanwa, geishas and games. Boy, did I have one hell of a month! I've been meaning to go on another vacation with Tracky-poo, but I think I'm pretty content now for the time being. We pretty much exhausted just about everything there was to do in this guy's apartment bed and breakfast... or so we thought. He had a VCR with a tape already in it. We decided, why not? ... I am at a loss for words. Number one: it was all in Japanese, and number two: ...WHAT?! I have seen some downright strange movies in my undead life, but this one took my brain out, ripped it to shreds, and then glued it back together all while loudly giggling. The film itself is beautifully shot. The scenery and set design is gorgeous and the special effects, while primitive, add to the film's overall allure. It felt like watching an 87 minute MTV music video on salvia. Heh, 87 minutes, that shit felt like it went on for days. Well, that was probably because we were locked in a guy's apartment, but I digress. If you want to experience every single emotion in quick succession ten times over, this is the perfect film for you. What more, apparently all of the horror segments were written by the director's daughter. I can totally see that, it was inexplicable, yet incredibly disturbing.
Watch this flick. This is an unrepeatable kind of horror.
One might even say it's... eclectic.
I couldn't understand any of the quotes, so...
"Hoooouuussee" - The only line in English in this film.
Director: Nobuhiko Obayashi
Writer: Chigumi Obayashi
Genre: Inexplicable Horror Comedy
Runtime: 87 Minutes

Genre: New Wave

TECKHEAD'S SIDE
Malice Mizer - Merveilles
While Cassetta-'n-I were COOPED up in that rando's apartment, we started diggin' thru this closet off to the side. Oh man... we hit the JACKPOT! Oodles 'n OODLES of AUTHENTIC Japanese ROCK MUSIC! SUGOI! All I gotta say is... HOLY MOLY! From the very beginnin'-a this CD, I felt like I was smack dab in the middle-a CASTLEVANIA! Malice Mizer's got this X-OTIC blend-a Gothic-Classical-Prog-Synth-Rock that I've NEVER heard anywhere else! Ok, maybe Trans-Siberian Orchestra...but even then! This is SOMETHIN' ELSE! There's so many HITS on this jawn that I had a SUPER-HARD-TIME pickin' ONE for my FAV'RITE track... so I'LL PICK TWO! "ILLUMINATI" 'n "Gekka No Yasoukyoku". What more? Cassetta found a DVD of one-a their concerts buried deep in that dude's closet. We popped it 'n couldn't believe our eyes! Their lead singer looked almost X-ACTLY like Ahucard from CASTLEVANIA! What was his name? Gacked? I dunno... but what I DID notice was that Cassetta was givin' him the EYE! Frankly, I don't blame her!
All-in-all, I give this Eastern e-lectronic disc 5 OUTTA 5 TECKHEADS!
Man, whatta ride! I just wish I knew what they were sayin'!

TECKHEAD'S SIDE
Odbal's Pick
New Clear Days - The Vapors
Heh-heh-HEY boisengoils! It's time for an Odbal Pick! BOY, am I glad TeckHead's SAFE-'n-SOUND... 'n I'm outta that BOX! Since we're all turnin' Japanese here, I thought it would only be fair to take a look-see at the fellas who turned Japanese FIRST! Oh, how I was CRESTFALLEN when I realized that this album done pulled a FAST ONE on me! I thought that this whole album would be packed to the brim with SUPER-HAPPY-FUNTIME-FILLED trax aboot Japan since, ya know, the first track is titled "Turning Japanese"! I love me some-a that new wave music, but I HATE it when it gets all slow-'n'-sappy on me! The whole rest-a this album is just that! Slow, sappy. BRITISH new wave!
I'm sorry boisengoils, my judgment went all wacky this time 'round, THAT WASN'T ODD AT ALL!
Country: Britain
Label: United Artists Records
Released: 2005

TECKHEAD'S SIDE
Radigy GereriC - Nintendo Gamecube
After gettin' tired-a tearin' thru that mystery-man's record collection, we turned our focus to his TV set. Now, Cassetta-'n-I LUV watchin' flicks, but we ain't to keen on TV. Some of it's alright, but I dunno, just ain't the same. Anywho, I saw somethin' familiar-lookin' on the ground plugg'd into the TUBE... it was none other than a HANSHIN TIGERS NINTENDO GAMECUBE! Let me tell ya, the Gamecube cases over in Japan are pretty INTERESTIN'! They're so small 'n KAWAII-! One of 'em REALLY caught 'ol Teckhead's eye, 'n that was RADIRGY! Apparently, that's a port-man-toe of "Radio Allergy". Ya play as this girl who has the "Radio Allergy"; she's ALLERGIC TO THE RADIO! If I ever develop THAT... well... let's not talk aboot that! Anywho, yer scientist father gets KIDNAPPED by terrorists. So, what does she do? She gets ma BIG 'OL MECH 'n goes on the ATTACK! That bein' said, this jawn is pretty much yer average top-down-shoot-'em-up a la Raiden or TouHou (Virgil LOVES that one!). The graphics're pretty SICK too! Cassetta certainly thought they were KAWAII-!
All-in-all I give this colorful 'cade shooter 3.5 OUTTA 5 TECKHEADS!
